## Hog Roast Hire

Hog Roasts make brilliant and fun ways of cooking food. It creates a fantastic atmosphere for people and the food is simply amazing. Nothing tastes like meat that's been spit roasted. It's quick, easy and is great value for money. The visual effect of a spit roast suckling pig is simply brilliant.

At McGovern Meats you have the choice of hiring the spit to operate and manage yourself or a member of our professionally trained team can take the hassle out of your event and do all this for you. A Hog Roast is a great and economical way to host your own party without the fuss and bother of using caterers.
